

The logo features the words "Silver Brush" in a black, elegant cursive script. A vibrant, multi-colored brushstroke graphic, transitioning from orange to yellow, green, and blue, flows behind the text. Below the cursive text, the word "LIMITED" is written in a clean, black, uppercase sans-serif font, followed by a registered trademark symbol (®).

SUPERIOR WATERCOLOR BRUSHES
Black Velvet® watercolor brushes feature an exclusive blend of natural squirrel hair and synthetic filaments. Soft enough to allow layering and glazing without disturbing previous colors but firm enough to lift color with a gentle scrub. Expect high absorbency, delicate strokes and unsurpassed quality. Use on watercolor surfaces.

To learn how to properly care for your new Silver Brush brushes and ensure the best possible performance, visit www.SilverBrushCareTips.com

PINCEAUX AQUARELLE DE QUALITÉ SUPÉRIEURE
Les pinceaux aquarelle Black Velvet® utilisent un mélange exclusif de poils d'écureuil naturels et filaments synthétiques. Suffisamment souples pour permettre la superposition et du glacis sans perturber les couleurs précédentes, mais assez solides d'enlever couleur avec un frottement doux. Vous pouvez anticiper une grande capacité d'absorbance, des coups délicats, et une qualité incomparable. Utiliser sur les surfaces aquarelle.

Pour apprendre comment conserver correctement vos nouveaux pinceaux Silver et pour s'assurer la meilleure performance possible, visitez www.SilverBrushCareTips.com

PINCELES SUPERIORES PARA ACUARELA
Los pinceles Black Velvet® para acuarela presentan una mezcla exclusiva de pelo de ardilla natural y filamentos sintéticos. Lo suficientemente suave como para permitir capas y barnizados sin alterar los colores anteriores, pero lo suficientemente firme como para levantar el color con un raspado suave. Notará una alta absorción, pinceladas delicadas y una calidad incomparable. Usar en superficies de acuarela.

Silver Brush LIMITED®

Our Bristlon® line of brushes sport a superior stiff white synthetic head that has been specially processed so it can be used with harsh solvents without compromising the texture or the fibers. These brushes offer excellent color control and strong resiliency on rough surfaces as a result of their interlocked construction and finely chiseled tips. It doesn't matter if you are working with oils, acrylics, or watercolors, they will maintain their form and provide an even application of color. These Bristlon® brush sets feature the calm yet exceptional landscape and *plein air* paintings of Dave A. Santillanes.

Golden Natural®

FOR ALL MEDIA
Golden Natural® has a unique blend of synthetic filaments and natural hairs that allow you to use the brush in all media types. Favored by illustrators for its excellent control, Golden Natural® is gentle enough to achieve elegant watercolor paintings but durable enough to handle acrylic and oil paints with ease.

IF USING OIL PAINTS, BE SURE TO CLEAN BRUSH WITH AN ARTIST-GRADE ODORLESS SOLVENT. To learn how to properly care for your new Silver brushes and ensure the best possible performance, visit www.SilverBrushCareTps.com

POUR TOUS LES TECHNIQUES
Golden Natural® a un mélange unique de filaments synthétiques et de poils naturels qui vous permettent d'utiliser cette brosse dans tous les types de supports. Privilégiée par les illustrateurs pour son excellent contrôle, Golden Natural® est assez doux pour réaliser des aquarelles élégantes mais suffisamment durable pour manipuler facilement les peintures acryliques et à l'huile.

SI VOUS UTILISEZ LA PEINTURE À L'HUILE, ASSUREZ-VOUS DE BIEN NETTOYER AVEC UN SOLVANT MODÈRE DE QUALITÉ ARTISTE. Pour apprendre comment conserver correctement vos nouveaux pinceaux Silver et pour s'assurer la meilleure performance possible, visitez www.SilverBrushCareTps.com

PARA TODA TÉCNICA
Golden Natural® tiene una mezcla única de filamentos sintéticos y pelos naturales que le permiten usar este pincel en todo tipo de medios. Los ilustradores lo prefieren por su excelente control. Golden Natural® es lo suficientemente suave como para lograr elegantes pinturas con acuarelas, pero también lo suficientemente resistente como para manejar con facilidad pinturas acrílicas y al óleo.

SI USAS ACEITE, ASEGÚRESE DE LIMPIAR CON DISOLVENTE MODERNO DE CALIDAD ARTÍSTICA. Para aprender como cuidar adecuadamente sus nuevos pinceles Silver y garantizar el mejor rendimiento posible, visite www.SilverBrushCareTps.com

SILVER MOPS™
SOFTEN AND BLEND
Premium quality goat hair bristles are perfect for blending and softening color with oils or acrylics. They can also be used to create backgrounds and washes with watercolors.
• White goat hair stays soft when wet
• Black goat hair stiffens when wet for textured effects
To learn how to properly care for your new Silver brushes and ensure the best possible performance, visit www.SilverBrushCareTips.com

ADOUICIR ET FONDRE
Les pinceaux en poil de chèvre de qualité supérieure sont parfaits pour le mélange et adoucissement de couleur à l'huile ou l'acrylique. Ils peuvent aussi créer les fonds et lavis avec l'aquarelle.
• Les poils de chèvre blancs restent doux quand mouillés
• Les poils de chèvre noirs se raidissent quand mouillés pour créer les effets texturés
Pour apprendre comment conserver correctement vos nouveaux pinceaux Silver et pour s'assurer la meilleure performance possible, visitez www.SilverBrushCareTips.com

SUAVIZAR Y MEZCLAR
Las cerdas de pelo de cabra de alta calidad son perfectas para mezclar y ablandar el color con oleos o acrilicos. También se pueden usar para crear fondos y washes con acuarelas.
• El pelo de cabra blanco se mantiene suave cuando se moja
• El pelo de cabra negro se pone rígido cuando se moja para efectos de textura

SILVERWHITE®
SYNTHETIC SABLE
Silverwhite® soft synthetic filaments imitate the finest natural hairs but at a fraction of the cost. They hold watercolor or soft bodied acrylics with ease and carry it reliably from palette to painting. The sharp chiseled edges and fine tips maintain their shape when wet.

IF USING OIL PAINTS, BE SURE TO CLEAN BRUSH WITH AN ARTIST-GRADE ODORLESS SOLVENT. To learn how to properly care for your new Silver brushes and ensure the best possible performance, visit www.SilverBrushCareTips.com

MARTRE SYNTHÉTIQUE
Les filaments synthétiques de Silverwhite® sont doux et imitent les poils naturels les plus fins, mais à une fraction du coût. Ils tiennent l'aquarelle ou les acryliques de corps doux avec facilité, et ils les transportent fidèlement de la palette à la peinture. Les bords ciselés et les pointes fines gardent leurs formes quand mouillés.

SI VOUS UTILISEZ LA PEINTURE À L'HUILE, ASSUREZ-VOUS DE BIEN NETTOYER AVEC UN SOLVANT INODORE DE QUALITÉ ARTISTES. Pour apprendre comment conserver correctement vos nouveaux pinceaux Silver et pour s'assurer la meilleure performance possible, visitez www.SilverBrushCareTips.com

SABLE SINTÉTICO
Los filamentos sintéticos suaves Silverwhite® imitan a los mejores pelos naturales pero a una fracción del costo. Retienen con facilidad acuarelas o acrílicos de cuerpo suave y los acarrear de manera confiable desde la paleta hasta el cuadro. Los bordes afilados y cincelados y las puntas finas mantienen su forma cuando se mojan.

SI USA ÓLEOS, ASEGÚRESE DE LIMPIAR CON DISOLVENTE INODORO DE CALIDAD ARTÍSTICA. Para aprender como cuidar adecuadamente sus nuevos pinceles Silver y garantizar el mejor rendimiento posible, visite www.SilverBrushCareTips.com

RUBY SATIN®

RESPONSIVE & SPRINGY
Ruby Satin® is a synthetic brush that imitates the finest natural mongoose. Snappy and full of spring, these medium firm filaments push heavy bodied paints with ease and leave a soft texture to your strokes. Use on any surface.

IF USING OIL PAINTS, BE SURE TO CLEAN BRUSH WITH AN ARTIST-GRADE ODORLESS SOLVENT. To learn how to properly care for your new Silver brushes and ensure the best possible performance, visit www.SilverBrushCareTips.com

RÉACTIF & ÉLASTIQUE
Ruby Satin® est un pinceau synthétique qui imite les plus fins poils de mangouste naturels. Dynamiques et plein de ressort, ces filaments moyennement ferm poussent les peintures très corpulentes avec facilité et laissent une texture doux avec votre touches. Pour usage sur toute surface.

SI VOUS UTILISEZ LA PEINTURE À L'HUILE, ASSUREZ-VOUS DE BIEN NETTOYER AVEC UN SOLVANT INODORE DE QUALITÉ ARTISTES. Pour apprendre comment conserver correctement vos nouveaux pinceaux Silver et pour s'assurer la meilleure performance possible, visitez www.SilverBrushCareTips.com

EFICAZ Y ELÁSTICO
Ruby Satin® es un pincel sintético que imita la mejor calidad de pelo natural de mangosta. Dinámicos y muy elásticos, estos filamentos de mediana firmeza acarrea con facilidad las pinturas de cuerpo pesado y dejan una textura suave en tus trazos. Usar en cualquier superficie.

SI USA ÓLEOS, ASEGÚRESE DE LIMPIAR CON DISOLVENTE INODORO DE CALIDAD ARTÍSTICA. Para aprender como cuidar adecuadamente sus nuevos pinceles Silver y garantizar el mejor rendimiento posible, visite www.SilverBrushCareTips.com
